

REACH DIRECTIVE COMPLIANCE LETTER

Based on information obtained from our raw material and outside service vendors this letter is to certify that all parts and or assemblies manufactured by Alexandria Industries are compliant to the most current REACH Directive. All items manufactured and or purchased by Alexandria Industries do not contain any of the noted substances contained in the current list of Substances of Very High Concern (SVHC's) current candidate list is 191 substances. Reference European Chemicals Agency (ECHA) website for current list of banned substances: <http://echa.europa.eu/web/guest/candidate-list-table>

Detailed compliance reports can be provided for your specific items if required please send request to: compliance@alexandriaindustries.com
