

RoHS3 DIRECTIVE COMPLIANCE LETTER

Based on information obtained from our raw material and outside service vendors this letter is to certify that all parts and or assemblies manufactured by Alexandria Industries are compliant to the RoHS3 Directive version 2015/863 (AKA EU RoHS 3). All items manufactured or purchased by Alexandria Industries contain less than the maximum allowed concentration as defined in the table below.

If you require information with respect to coated extrusions or other types of anodized extrusions, feel free to contact me at the email address noted below as we address these matters on a case by case basis.

Detailed compliance reports can be provided for your specific items if required please send request to: compliance@alexandriaindustries.com
