

Capabilities and Certifications

Demand Innovation

<input checked="" type="checkbox"/>	Aluminum Extrusions - Up to 11" Diameter	<input checked="" type="checkbox"/>	Machined Plastics
<input checked="" type="checkbox"/>	Anodizing - Many Color Options	<input checked="" type="checkbox"/>	Micro Molding
<input checked="" type="checkbox"/>	Anodizing - Type II	<input checked="" type="checkbox"/>	Mitre Cutting
<input checked="" type="checkbox"/>	Anodizing - Type III (Hardcoat/Hard Anodize)	<input checked="" type="checkbox"/>	Mitre Cutting - Double Head
<input checked="" type="checkbox"/>	Assembly	<input checked="" type="checkbox"/>	Notching
<input checked="" type="checkbox"/>	Bending - 3 Roll	<input checked="" type="checkbox"/>	Overmolding
<input checked="" type="checkbox"/>	Bending - Push	<input checked="" type="checkbox"/>	Paint - Liquid
<input checked="" type="checkbox"/>	Bending - Rotary	<input checked="" type="checkbox"/>	Paint - Powder Coat
<input checked="" type="checkbox"/>	Bending - Sheet Metal	<input checked="" type="checkbox"/>	Permanent Mold
<input checked="" type="checkbox"/>	Broaching	<input checked="" type="checkbox"/>	Polyurethane Foam Molding
<input checked="" type="checkbox"/>	Chromate Conversion Coating (RoHS)	<input checked="" type="checkbox"/>	Precision Cutting
<input checked="" type="checkbox"/>	CNC Lathe or Turning	<input checked="" type="checkbox"/>	Printing - Ink Jet
<input checked="" type="checkbox"/>	CNC Machining - 4th Axis	<input checked="" type="checkbox"/>	Printing - Pad
<input checked="" type="checkbox"/>	CNC Machining - 5th Axis	<input checked="" type="checkbox"/>	Process Validation
<input checked="" type="checkbox"/>	CNC Machining - Horizontal	<input checked="" type="checkbox"/>	Production - Design and Tooling In-house
<input checked="" type="checkbox"/>	CNC Machining - Long Bed (Up to 21.3 feet)	<input checked="" type="checkbox"/>	Prototype - Design and Tooling In-house
<input checked="" type="checkbox"/>	CNC Machining - Vertical	<input checked="" type="checkbox"/>	Punching - Intricate
<input checked="" type="checkbox"/>	Deburring	<input checked="" type="checkbox"/>	Punching - Simple
<input type="checkbox"/>	Die Casting	<input type="checkbox"/>	Sand Cast
<input checked="" type="checkbox"/>	Dry Film Lubricant Coating	<input checked="" type="checkbox"/>	Slotting
<input type="checkbox"/>	EDM Tool Texturing	<input type="checkbox"/>	Swiss Screw Machine
<input type="checkbox"/>	Electroless Nickel - Low Phos	<input checked="" type="checkbox"/>	Stretch Forming/Stretch Bending
<input type="checkbox"/>	Electroless Nickel - High Phos	<input checked="" type="checkbox"/>	Swedging
<input checked="" type="checkbox"/>	Engraving	<input checked="" type="checkbox"/>	Welding - MIG Metal Inert Gas
<input type="checkbox"/>	ExtremEtch™ - Acid Etching	<input checked="" type="checkbox"/>	Welding - TIG Tungsten Inert Gas
<input type="checkbox"/>	Forging	<input checked="" type="checkbox"/>	Welding - Ultrasonic
<input type="checkbox"/>	Grinding	<input checked="" type="checkbox"/>	Weldment Grinding
<input checked="" type="checkbox"/>	Heat Sinks - Aluminum Extruded	<input checked="" type="checkbox"/>	Wire EDM
<input checked="" type="checkbox"/>	Heat Sinks - Bonded Fin	<input type="checkbox"/>	Zinc Plating - Clear (RoHS)
<input checked="" type="checkbox"/>	Honing	<input type="checkbox"/>	Zinc Plating - Yellow
<input type="checkbox"/>	Impact Extrusions		
<input checked="" type="checkbox"/>	Injection Molding - Industry Tolerance		
<input checked="" type="checkbox"/>	Injection Molding Press Shot Size - Up to 57 oz.		
<input checked="" type="checkbox"/>	Injection Molding Press Tonnage - Up to 350 Tons		
<input checked="" type="checkbox"/>	Insert Molding (Injection)		
<input type="checkbox"/>	Investment Casting		
<input checked="" type="checkbox"/>	Laser Etch/Laser Engraving		
<input checked="" type="checkbox"/>	Linear Advance/Multi-stage Fabrication Cells

Processes

Materials	
	Aluminum - 6005A*
	Aluminum - 6060*
	Aluminum - 6061*
	Aluminum - 6063*
	Aluminum - 6082*
	Aluminum - 7075**
	Bar Stock**
	Brass**
	Bronze**
	Copper**
	Iron - Ductile**
	Iron - Gray**
	Polyurethane Foam***
	Sheetmetal - Ferrous**
	Sheetmetal - Non Ferrous**
	Steels - Alloy**
	Steels - High Carbon**
	Steels - Low Carbon**
	Steels - Stainless**
	Thermoplastics****

Resources	
	24-7 Production
	Calibration
	Capability Studies
	Customer Leadership Conference
	Customer Newsletter
	Design for Manufacturability Assistance
	Dimensional Metrology
	Disaster Recovery Plan
	First Article Inspection
	Fixture Building
	On-site Education and Seminars
	Production Part Approval Process (PPAP)
	Preventative Maintenance
	R & D Support
	Rapid Prototyping via Urethane Casting
	Raw Material Traceability
	SPC Data Collection
	Supplier Controls
	Tool Building
	Virtual Tour

*Extrude and Machine

**Machine Only

***Molded

****Molded and Machine

Certification, Licenses, Compliances	
	Federal Firearms Licensed
	ITAR Compliance
	REACH
	RoHS

Exhausting List

Some people think it's impossible to be really good at everything when you offer so many services. We want you to know that it truly isn't the case at Alexandria Industries. Our expert service providers are sought after in their industries to speak at manufacturing events around the country and even internationally. This expertise guarantees you that your products will be in great hands at Alexandria Industries.

One Call

Give us a call today if your company can benefit from the services provided by Alexandria Industries. We are here to support your success.
